

Mark and Nani,  
you opened the door  
for magic on television.  
And now I would like to  
hold it open for you  
to take your  
well deserved bow.

*Thank you.

*Do you want to know a secret?  
It was fun for the people that made it too.*

*Dedicated to my loving grandmothers, Teta and Lilibet,  
who brought this magic into the world.*
