Mom, Dad, Rebo, and all of the Allakazam Team, I'm so happy that I am able to share this 50th Anniversary with you at the Magic Castle. Your work and sacrifices were worth it, I'm sure the whole magic community agrees. Thank you.

Mark and Nani,

How can any of us ever repay you for the generosity you have shown.

Thank you for five decades of friendship, inspiration, and joy.

What you have given to magic is more than any single individual could ever give back.

Here to all those memories, and new ones yet to be created.

Love,

Diana Zimmerman
